## Schedule -

This year we have had several approach us requesting for us to do more DURING the week similar to our weekend. However, due to so many having jobs and not being able to get off the entire week, we decided that we would split the difference and begin our more filled out, active, daily schedule on Thursday and go through Sunday, from 10:00 a.m. - until, each day. Monday, the 8th day or Shemini Atzeret will have a modified schedule.

## Lodging -

We have had many of you asking if there are spaces for camping available and the answer is YES! We have plenty of space for those who are interested in setting up tents. We are asking that if you are planning on camping on the grounds to let us know below. Also YOU will be responsible for cleaning up after yourself. Please leave it better than you found it.

(Please Mark). Will be camping \_\_\_\_\_ Will NOT be camping \_\_\_\_\_

## Food -

This year we will be changing it up a bit from last year. On the days that breakfast and lunch are scheduled, YOU will be responsible for those meals. We WILL have a place that you can store your cold items if needed. For the evening meals, the kitchen will be preparing dinner. If you are interested in joining us for those meals, we do ask that you help cover the costs by giving a \$5 donation PER PERSON PER MEAL, (ages 12 and up).

### Extras-

There are many extras involved in Sukkot, the building of the Sukkah, supplies and crafts for the classes, activities for the Family Times, etc. Remember, Sukkot is a community event which requires COMMUNITY help. For Sukkot to be everything it can be, YOU have to be involved.

You can put your food cost donation as well as the Sukkot supplies donation in the envelope provided or you can give online at our website or through the ministry app.

If you would like to help with the children's classes, the building of the sukkah, etc., please connect with us and we will coordinate your help where needed.

Thank you so much for all of your love and support. We are so excited about Sukkot this year and hope that you are too. We know it is going to be even better than last year and are ready to see what the Father has in store for us during this Feast. Don't forget if you have any ideas or suggestions, we would love to hear them!!!
